

Testing Opportunities

ASVAB

- test needed for military enlistment
- anyone can take it for career exploration and another opportunity to take a standardized test
- can test in grade 11 or 12

ACT/SAT

- **ACT is now required for all Juniors—will take this test in Feb/March**
 - Needed for college admissions –all 4 year and some tech programs
 - ACT-has reading, writing, science, english, math
 - SAT-has math, verbal, writing
 - If you meet certain income requirements you may qualify for a fee waiver if you need to retake the ACT
 - Typically advised to take this in April or June of Jr. year (for ACT)

ACCUPLACER

- Needed for technical school admission only if your ACT scores are not high enough
- No cost to student while in high school
- Can take 2 times
- Covers english, math, reading

AP

- Students take this test after taking an AP class to see if they can test out and get college credits
- Students can take these tests even if they have not taken an AP class if they feel prepared
- Take in May at LHS
- There is a fee involved but students may qualify for a fee waiver See Mr. Wiesner with questions
- Typically scores of 3 or higher could allow a student to test out of a class at the college level

IB

- Students take this test after taking an IB class to see if they can test out and get college credits
- Take in May at LHS
- There is a fee involved—See Ms. George for details and to sign up
- Usually need scores of 4 or 5 or higher in a HL class to get credit (if certificate level); Full IB need 3 HL and 3 SL
